Note Well:

- Members of the community are urged to DEMAND certificates of compliance (COC) before engaging the services of their preferred undertaker.
- Municipality will not be held accountable/responsible if people/bodies are buried in illegal graves, cemeteries and in an improper manner.
- This remains the responsibility of the affected family and the undertaker responsible.
- The By-Law Enforcement Unit together with Health Inspectors will close down all illegal undertakers, and impound all illegal hearses from the road.
- Hospitals and clinics will not release the body/corpse to a family member accompanied by unregistered/ illegal undertaker
- This list will be updated from time to time to accommodate the latest developments and progress in the registration/compliance of the funeral undertakers.

Mr. Stanley Gaba
