

ITEM A290
POLICY REGARDING MAINTENANCE OF
PRIVATE SEWERAGE (ES (W&S) 2002/06)

3/2/2

RESOLVED (ON 20.08.2002)

1. That the Emfuleni Local Municipality adopt a policy whereby no maintenance to private sewer lines, whether done free of charge or at a fee, be done;
2. that all work on private sewer lines be the responsibility of the owner of the relevant stand unless it can be proven that a blockage in the main sewerage caused the private sewer lines to block, in which case the Council will be responsible to clear such blockage;
3. that Councillors take note of the above policy and inform communities accordingly and
4. that the public be further informed about the policy through Council's newsletter.
