

### **WARNING TO USE WATER SPARINGLY**

Members of the public are warned to use water sparingly only for necessities due to the interruption in water supply. This interruption comes as a result of technical problem experienced with a water reservoir situated in SW5 in Vanderbijlpark. Areas that are likely to be affected include:

- Vanderbijlpark
- Bophelong
- Muvhango (RDP settlement near Bophelong)
- Tshepiso

It is expected that the repair work will be completed in the 24 hours. For more information members of the public can contact Metsi a Lekoa at (016) 986 8300.
